ANTHEM

Welcome to SunTrust Plaza Garden Offices! Anthem kicked off the year by relocating nearly 130 IngenioRx associates to SunTrust Plaza Garden Offices. Last month, they finished construction in the Garden Offices, Suite 600, consisting of a new lobby area, A/V equipment, and command center.

Anthem teammates were pleased to move in to their new space, consisting of a fully-furnished open floor plan on the top floor of the building. The team appreciates the patience of their new neighbors while the finishing touches are being installed.

The future is bright for Anthem as they launch the IngenioRx business, with expectations to grow headcount at SunTrust Plaza Garden Offices to 400+ associates over the next couple of years. Please join us in welcoming Anthem's IngenioRx team to SunTrust Plaza!

Celebrate spring at the SunTrust Plaza Food Court by picking up coupons provided by participating SunTrust Plaza eateries. In addition to the abundance of savings, you will also have a chance to win tickets to Chastain Park Amphitheatre and other exciting prizes!

Coupons and entry forms will be placed in sign holders located in the SunTrust Plaza Food Court starting March 18th. The deadline for entry is Friday, April 19th at 2:00pm. See the entry bin table for official contest rules.

AMERICAN RED CROSS

A blood donation truly is a "gift of life" that a healthy individual can give to others in their community who are sick or injured. It only takes one hour to help save lives.

One unit of blood can be separated in to many components; red blood cells, plasma, and platelets. Red blood cells can be extracted for use in trauma or surgical patients. Plasma, the liquid part of the blood, is administered to patients with clotting problems. Platelets are coagulants that help clot a patients blood when wounds occur. Platelets are also used to help cancer and transplant patients. Become someone's hero by booking an appointment at the blood drive in the Garden Offices on April 24th or 25th. www.redcrossblood.org
