RED CROSS BLOOD DRIVE

Every day, blood donors help patients of all ages: accident and burn victims, heart surgery and organ transplant patients, as well as those battling cancer and chronic diseases like sickle cell. In fact, every two seconds, someone in the U.S. needs blood. The Red Cross provides about 40% of our nation's blood and blood components, all from generous volunteer donors. But supply can't always meet demand because only about 10% of eligible people donate blood yearly. RapidPass® can help save time during your next blood or platelet donation. For the best donation experience, please [schedule an appointment](#) in advance, then complete your RapidPass®. The process is simple, just 4 steps - and it takes about 10 to 15 minutes. RapidPass® is compatible with most mobile devices so you can download the [Blood Donor app](#). After your first donation, use the digital donor card to scan in at registration and earn rewards such as gift cards!

INDEPENDENCE DAY HOLIDAY OBSERVED

In observance of Independence Day, the SunTrust Plaza and Garden Offices will be CLOSED on Wednesday, July 4th. Portman Management Company's office will also be closed. All phone calls to property management will be directed to security, should you have an emergency to report. If you wish, you may contact security directly at SunTrust Plaza, 404-223-1070, or for the Garden Offices, 404-586-0666. Have a safe and happy holiday!

PARKING ELEVATOR MODERNIZATION UPDATE

The parking elevators are in the process of being upgraded with new drive technology, hoist machines, control systems, door operations and fixtures. In addition to these upgrades, each elevator will be equipped with card access readers behind a glass window to enable after-hours security of the buildings for Bridge Level (BL). Should you ride the completed cars after hours, please present your access card to the window for access to Bridge Level. Once all six cars are upgraded, the dispatch timing will be improved for passengers due to enhanced logic technology. Thank you for your patience during this project.
