Who is Greenlight?

Greenlight Financial Technology, Inc., founded in 2014, provides debit cards for kids, teens, and college students that parents can manage from their phones, using powerful and flexible parental controls. You can think of Greenlight as three accounts in one: a Savings account, a Giving account, and a Spending account - all built into one smart debit card, the Greenlight Card. Greenlight helps parents teach their kids to spend wisely, the importance of saving, and how to make responsible financial choices.

Greenlight is thrilled to be part of the vibrant fintech community in Atlanta and they are excited about continuing to grow in their new offices on the 43rd floor.

Sign up for a Greenlight card today and as a SunTrust Plaza tenant you'll get 30 days free and a \$10 credit.

ATLANTA'S ST. PATRICK'S DAY PARADE

Atlanta's St. Patrick's Day Parade features representatives from the various Irish groups that are an integral part of Atlanta's Irish community. Among the goals of the group are the education of the public about the significant contributions made by the Irish to Atlanta, the South and the United States.

Participation in the parade is not just an "Irish thing". The parade attracts individuals and groups from around the city and the South including clowns, floats, bands, Bagpipe & Drum Corps, children, dancers, drill teams, and more. All groups are encouraged to participate as long as their unit is appropriate for a "family" event. The emphasis is on children and families in celebration of all of Atlanta's diverse backgrounds on a day when "everybody is Irish."
