ATLANTA BIKE CHALLENGE

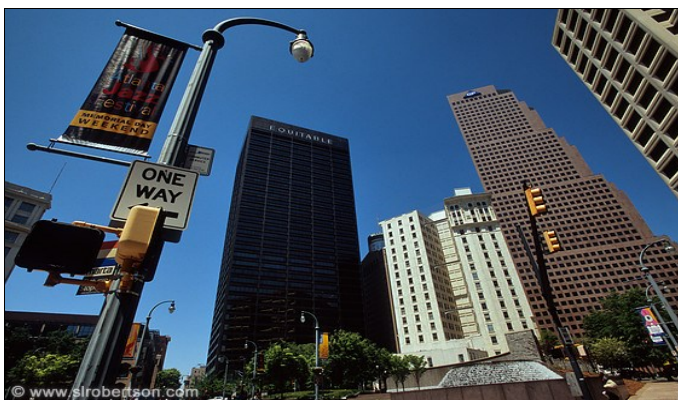

When: October 1 -31, 2017

Who: Anyone living in the 19 county metro Atlanta region is invited to join the challenge by registering on the website

www.ATLBikeChallenge.com.

How it Works: Bike riders across metro Atlanta will compete in social teams of up to eight people including friends, family or colleagues and log their rides to earn points. Each team will compete against nine other teams within a pool. Pools fill up chronologically, meaning as riders create teams, they will be placed into a pool with other teams created around the same time to ensure fair competition. After the third week of Biketober, top teams from each pool with the highest amount of points will face off in a special-bonus "Final Sprint," a playoff to determine the top Biketober team in the region.

Prizes: Dream vacations to Italy or San Francisco, \$600 towards a new bike or bike gear, a Big Green Egg, Uuni Pizza Oven and much more!

PARKING GARAGE ELEVATOR MODIFICATIONS

We are excited to announce that the parking garage passenger elevators have started undergoing modernization. All six elevators will be upgraded with new drive technology, control systems, door operations and fixtures, which will reduce downtime and save energy. Modernization of the elevators also includes the installation of card access readers, which will assist in keeping unauthorized personnel from entering the building by way of Bridge Level and/or E Level of the parking garage elevator lobbies. In order to reduce wait time and maintain adequate elevator service during this process, only one elevator will be taken out of service at a time. This project is scheduled for completion during the first quarter of 2019. We appreciate your patience and cooperation during this equipment upgrade.
